## Newsletter No. 02 (20<sup>th</sup> September 2018)

Dear Parents and Carers,

Over the last 2 weeks our assemblies have had a focus on embracing challenge and not giving up. We have certainly seen pupils putting this into practise in class, taking on tricky tasks and difficult concepts.

We are delighted to have given out so many house points, learning stars and certificates already in the first few weeks. It has been lovely seeing so much lovely work and proud pupils.

*Edward Harrison & Odele Davies*

### School Clubs

We are really pleased to have been able to offer such a wide variety of clubs this term. You will find out next week which clubs your children have got into (if there aren't enough places on certain clubs this term then anyone who doesn't get one will have priority next term). The clubs start on the first week of October. There may still be a few places left in certain clubs for late applicants, speak to Mrs Clegg in the front office.

### Could you Join our Team?

We're on the lookout for a Lunchtime Supervisory Assistant from Monday to Friday 11:45am to 1:15pm term time only. If you, or anyone you know might be interested in this role, please contact Mrs Adams in the school office for more information. The closing date for all applications is Friday 28<sup>th</sup> September.

### MacMillan Coffee Morning – Yr 3

On Friday 28<sup>th</sup> September we have a MacMillan coffee morning for Year 3 parents & carers. This will take place from 9:30am – 11am in the hall and any donations of cakes or buns will be very much appreciated!

Unfortunately, we are only able to hold this event for year 3 parents and carers due to health & safety restrictions in the school hall. However, all unsold cakes will be available to purchase at the end of the school day. Thank you for your support!

### NSPCC Assembly

The NSPCC visited our school on Wednesday 19<sup>th</sup> September for their **Speak out. Stay safe** assembly. The aim of this assembly was to teach children about how they can keep themselves safe from harm and get help if they have any worries.

'The Underwear Rule' is a simple way for parents to help keep children safe. It uses the rules of PANTS to teach children that their body belongs to them and them alone. You can find out more and download the free resources at [nspcc.org.uk/pants](http://nspcc.org.uk/pants)

### NSPCC Online Safety Workshop

The O2 and NSPCC have teamed up to provide FREE Online Safety Workshops for parents and carers. They will be offering useful tools, support and guidance to help keep families safe online.

Letters have been sent home with children about the workshop taking place at **Mill Rythe Junior School** on **Tuesday 2<sup>nd</sup> October from 1:50pm – 2:50pm**. If you would like to attend, reply slips need to be returned to Mengham school office by Monday 24<sup>th</sup> September. ### Spinnaker Challenge

On Sunday the 9<sup>th</sup> of September Miss Rowsell and Miss Sinclair finally abseiled down the Spinnaker Tower. After two previous attempts were cancelled due to the weather, this time they were given the green light. To quote Miss Slade at the bottom of the tower, "The Spinnaker is quite big isn't it". From tiny dots at the top of the tower, both made it down safely and completed their challenge.

Thank you to everyone who sponsored them for this event. This raised a fantastic £786 which is being put towards furniture and equipment for our outdoor classroom (once the scaffolding is down). Thank you also to anyone who went down to support the pair on any of the 3 occasions that they went to the tower.
