26<sup>th</sup> January 2021

Dear Parents/Carers,

We would like to make you aware of the Holiday Activities and Food Programme funding being made available by the Department of Education to disadvantaged children during the Easter, Summer and Christmas holidays during 2021. All children in Hampshire who receive benefits related to free school meals will be eligible.

OSCA Childcare Limited has been invited by Hampshire County Council to apply for a grant so we can deliver activities along with healthy nutritious meals for the children of families who meet the relevant criteria. However, before we can apply, we would like to know how many families would be interested in taking part in the programme as soon as possible.

**The OSCA provision at this time will also be available to children of keyworker families to access at the current payable fees during the school holidays.**

For those of you unfamiliar with OSCA club, we are an OFSTED approved Breakfast, After School and Holiday Club. We provide a friendly, safe, and well supervised environment offering a range of age-appropriate activities with lots of choice. In addition to these, we provide a range of games, activities, and arts and crafts. (Due to current COVID 19 safety measures toys and resources are divided into separate areas where individual bubble groups only can access them, and we follow a thorough cleaning routine after each session).

We also have access to a large and secure outside play area, adventure trim trail, pond, and woodland walk. These are used for team games, treasure hunts, crafting and a whole range of other activities which are currently risk assessed under our strict COVID 19 safety measures.

OSCA is available to children aged from 4-11 years old. Holiday club runs from 8.00-5.30pm at £30 per day as well as offering half day sessions from 8.00-1.00pm at £15.00 and 1.00-5.30pm at £15.00.

The holiday club provides a healthy breakfast buffet, lunch, and cooked tea with a midmorning snack. Drinking water is always available throughout the day, although due to current COVID 19 safety measures children attending will be expected to bring in a named water bottle.

OSCA is a non-profit making company that relies purely on the fees generated by parents/guardians. After expenses, all additional money is poured straight back into the club and is used to pay for resources and activities.

“Having Fun Makes You Smile”

For registration details or any further information, please phone 07947 916884 or email [oscachildcare@hotmail.com](mailto:oscachildcare@hotmail.com). The OSCA room is situated at Mengham Infant School (gate next to the library, down the path and then first door on the right).

We wish you all safe and well and look forward to hearing from you soon.

Kindest Regards

Vicky Clarke  
Manager

Amanda Smith  
Deputy Manager
