Dear Parents and Carers,

We are sure you will have seen that the government have announced a full return to schools from Monday 8th March. Later this week, we will send out guidance for parents, just like we did in preparation for last September.

We believe the school will operate in a very similar way to as it did in the Autumn term including staggered start and ends of the day, year group bubbles and one-way systems but will await the full guidance before confirming any plans. The other control measures to minimise the risk of transmission of the virus will continue to be in place.

In addition, year 3 parents will have the option to give us permission for your child to leave school independently. We will try and answer as many other likely questions as possible in our guidance.

Once you have received our guidance later this week, please get in touch if you have any questions or worries. The virtual parents' evening next week also gives you the opportunity to discuss any aspects of it with your child's class teacher.

Best wishes,

Edward Harrison and Odele Davies
