26<sup>th</sup> August 2020

Dear Parents/Carers,

We hope you have had a restful summer and managed to make the most of what is available with the current restrictions. This September we are looking forward to having everyone back more than ever. Can we take this opportunity to remind you that if you are on holiday abroad, or planning a trip abroad before school reopens on the 3<sup>rd</sup> September, you check quarantine guidelines before your return. The arrangements for September that were sent out before the summer break are still available on our website. Please remember to carefully check this guidance for information about drop off and pick up times and locations.

We would like to give you 3 more bits of information about small changes that are being made due to the current situation.

## PE Kits

Normal changing arrangements for different year groups won't be possible this term so we are asking that on 'P.E. Days' pupils wear their P.E. kit to school instead of their school uniform. They can still wear their school jumpers over the top if it is cold and tracksuit trousers are quite alright. Please do not send their P.E. kit into school on other days. They will not have P.E. in the first 2 days back. During these 2 days they will find out which days will be their 'P.E. Day'.

## Water Bottles

At lunch time communal water and cups will not be available as before on the tables. Children will instead need to take in their own water bottles. **Please make sure your child has a water bottle for the start of term and, like everything else, it is clearly named.**

## Library Books

The library will operate slightly differently and a book online delivery service will be put in place. Years 4, 5 and 6 who have their library number can even pre-order library books before the term starts. Year 3 children will be given their library numbers within the first few days of term. Please see the next page for details.

If you have any questions or concerns then please get in touch with the school office and someone will get back to you. Thank you for all your support as we take this important step towards the full reopening of school.

We look forward to seeing everyone on **Thursday 3<sup>rd</sup> September.**

Yours sincerely,

Edward Harrison and Odele Davies
