---

1<sup>st</sup> April 2020

Dear Parents and Carers,

There is a lot of uncertainty around the weeks ahead. As a school we are used to a fairly consistent academic cycle. Adjusting to this current way of living and working has been a challenge. Could we take this opportunity to thank staff, parents, carers and most of all children for their hard work and resilience over the past two weeks.

We are now looking ahead to beyond Easter in how we can support parents, carers and pupils in the continuation of their learning at home.

On the next page you will find an overview of learning that will be made available during the school closure in the summer term. This will cover the first half of the term initially and should we remain closed beyond the May half term then we will upload the next batch of resources at a later date. We have separated the list into the core learning and some suggested resources for covering the wider curriculum. **Uploaded resources can be found on your year group page on our website.**

Some of the resources will be easy to use on a screen, with responses recorded on paper. Other resources would lend themselves to being printed. Where a printer isn't available then do the best you can or seek a similar online equivalent. Please note these are not the normal resources we would use in school but ones that teachers feel could be used in a home context. If you have any problems with logins and passwords to the websites listed then please contact the school through the usual routes.

The next two weeks would normally be the Easter holidays. Whilst at the moment everything is far from normal, we hope you are able to have a restful two weeks. We haven't set any work for the two week break, however all our usual educational websites are available should you wish to use them.

The admin email and school answer machine will be checked regularly over the Easter break should anyone need to make contact with the school.

We look forward to having the whole Mengham Junior School community back under one roof.

Best wishes

Odele Davies and Edward Harrison  
Co-Headteachers

At Mengham Junior School we aspire to be Successful learners, Healthy and Confident individuals,  
Responsible members of our community

## Mengham Junior School – Summer Home School Overview

### Core

Subject	Resources	Approximate daily time
Maths	Mymaths tasks have been set for each day. It is best to go through the online lesson first and then do the online homework. You can have multiple attempts at the online homework if you are not successful first time. Mathsframe and mathswatch is also available on the website using the usual logins.	60mins
Times tables	Times Table Rock Stars (whole school). It would be lovely to be giving out hundreds of certificates on your return. Numbots uses the same login TTRS (for years 3 & 4).	15mins
Reading	Grab a book! If you have read everything at home then you can access free online eBooks using your school library login. The link is under 'websites' on our site. Don't forget to see if your books are on accelerated reader, take the quiz and increase your word count. David Walliams is also providing free audio books on his website: <a href="https://www.worldofdavidwalliams.com/elevenses/">https://www.worldofdavidwalliams.com/elevenses/</a> Free audio books: <a href="https://stories.audible.com/start-listen">https://stories.audible.com/start-listen</a>	30mins+
Writing	Writing units have been uploaded that allow pupils to build up a piece of writing over 5 or 10 days. You may prefer to do shorter pieces of creative writing, if so please look at the 'Pobble' guidance instead.	60mins
Spelling	Weekly spellings are on the spelling frame website.	15mins

### Suggested

Subject	Resources
PE	Feedback from parents so far has been that the following two websites are great for PE: Joe Wicks 30min PE - <a href="https://www.youtube.com/user/thebodycoach1">https://www.youtube.com/user/thebodycoach1</a> Cosmic Kids Yoga - <a href="https://www.youtube.com/user/CosmicKidsYoga">https://www.youtube.com/user/CosmicKidsYoga</a>
French, Science,  Geography or History,  Art or DT	Resources have been added to our school website to try and cover in a home setting the topics and skills that would have been covered in the summer term at school. You are more than welcome to use alternative resources or delve into some aspects in more depth. If geography is the first half term then history will be second or the other way round. The same for art and DT. Please note we have not included PDL or RE, we will cover these when schools return.
Music	Lots of free online music software to have a play with here: <a href="https://leicestershiremusicshub.org/ks2-music-tech">https://leicestershiremusicshub.org/ks2-music-tech</a>
ICT	Develop your own scratch programming project: <a href="https://scratch.mit.edu/projects/editor/">https://scratch.mit.edu/projects/editor/</a>
