

The Hayling College Open Events 2021 (20.9.21)

Dear Parents/Carers,

I am pleased to announce our Open Events for 2021.

We would like to open-up the school for you to visit and see the students and staff in action and find out what we do on a day-to-day basis. We believe that people make choices about education based on what they see and what they hear.

I will be hosting six tours of the school as detailed below, where you can come in and visit in a small group and have all your questions answered. Rather than a large collection of people in a pre-Covid Open Event, we are taking this opportunity to do something different and offer a new way of finding out what we do.

<https://www.eventbrite.co.uk/e/the-hayling-college-open-event-tickets-174158461647> but please book up quickly as this will be on a first come first served basis!
