4<sup>th</sup> November 2021

Dear Parent/Carer

## Year 6 Explorer and Climate Change visit

In order to support our year 6 children with their learning about Ernest Shackleton and global warming, we have invited 'Wicked Weather Watch' to teach the children more about climate change and encourage them to take action to help conserve our fragile planet. Our intended outcome is for the children to have the passion and skills they need to be responsible citizens in the world beyond school and to take small steps that have a positive impact on our local and global environment.

A group of expert speakers from the charity Wicked Weather will visit the school and talk about their own first-hand experiences of the Arctic and Antarctica through a series of fun, interactive and creative activities.

This exciting day will take place on Friday 26<sup>th</sup> November and we are asking for a donation of £4.00 per child towards covering the cost of this activity. If this should cause any problems, please do not hesitate to contact Mrs Latham in the school office as soon as possible but no later than Monday 22<sup>nd</sup> November 2021.

We really hope this visit from 'Wicked Weather Watch' will inspire the children and enhance their learning.

Best wishes,

Mrs Clements, Mrs Farrage and Miss Richards
